Watercolor Winter Landscapes

Nancy Roman

Paint a beautiful winter scene in watercolors with watercolor artist Nancy Roman. Learn the techniques to paint snow and winter skies, with watercolor washes that reflect the muted colors of a New England winter. In additions to creating an original painting to frame, Nancy will give you tips to photograph your painting so that you can use it to create your own original Christmas cards or notecards. You can use a reference photo of your own, or choose one of the many photos that Nancy will provide. Our drawing method makes even complicated subjects easy to draw. Because of the technique we will use for the initial drawing, your photo needs to be 5" x 7". Your picture should be **PRINTED**, not a photo on your phone or tablet. If you have a picture but don't have that size or can't print it, Nancy can help you if you let her know in advance. A photocopy is fine. All materials will be provided, high quality paint, paper, brushes, and drawing materials, etc. Email instructor if you have any questions: Nancy Roman, notquiteold51@gmail.com

Even Start Family Learning Program

The Middletown Even Start program is an NAEYC accredited program. It recognizes that the parent is the child's first and most important teacher. We support this by bringing parents in need of adult education and their children (ages 12 weeks -5 years) together in a dual generational learning program. Parents and their children can share the excitement and joy of learning together! The Even Start program provides early childhood education, (ages 12 weeks -3 years), adult education, parent support classes, and a monthly home visit. In addition, our families have the opportunity to work with our Career Developer for placement in job certificate programs, and apprentice training programs. The program supports the parent-child relationship and enhances parenting skills through parenting classes and daily parent and child activities.

Family Learning Combines:

- « Adult Education (Adult High School, GED, ABE, ELL)
