Watercolor Seascapes

Nancy Roman

Create a beautiful seascape painting with watercolor artist Nancy Roman. **NO EXPERIENCE NECESSARY.** Watercolor is a superb medium to capture the delicacy of the sea, and in this 2-hour class, you'll create your own lovely watercolor painting. You'll learn the techniques of watercolor washes, color mixing, and value and tone. You can use a reference photo of your own, or choose one of the many photos that the teacher will provide. As you look for a photo, consider photos that include boats, or a beach, or a beautiful sky. Our drawing method makes complicated subjects easy to draw. Because of the technique we will use for the initial drawing, your photo needs to be 5 x 7. Your picture should be **PRINTED**, not a photo on your phone or tablet. If you have a picture but you don't have that size or can't print it, the instructor can help you if you let her know in advance. A photocopy is fine. All materials will be provided (high quality paint, paper, brushes, and drawing materials. etc). Instructor's email if you have any questions: Nancy Roman notquiteold51@gmail.com

Techniques of Watercolor

Nancy Roman

In this four-week class you will explore some of the basic techniques of watercolor painting, including tones and values, watercolor washes, wet-on-wet painting, line wash, and negative painting. In each two-hour class, you'll paint a complete 5x7 portrait, based on the techniques you'll learn that day. You don't need to be an experienced painter, beginners are welcome. You will not all be painting the same subject. Nancy, your instructor, will bring dozens of reference photos each week for you to choose from, so your painting will be unique. Materials fee of \$30 is payable to the instructor on the first night of class for the following supplies: High quality paint, paper, brushes, drawing materials, etc. Just come and paint!

GUITAR CLASSES

Frank Natter

Class will be held in person, limited to 10 students. Students must be 13 years and older to participate. For all of the guitar classes students must provide their own guitar and music stand. Suggested materials: an electronic tuner, & the *Total Acoustic Guitarist* by Frank Natter, Jr. ISBN -10:7390-3851-6. You can purchase the book from the instructor night of class, on Amazon, or The Middlesex Music Academy on 440 Main Street, Middletown, CT has the textbook

Beginning Guitar

Covers essential chords, important strumming patterns, and progressions of chords found in many well-known songs. You will learn how to decipher chord diagrams, guitar tablature and other systems used to notate guitar music. Beginning with short examples, you'll build skills that will later allow you to play entire songs and you will have the opportunity to practice these skills in context with classmates.

GOLF

This program is designed for the new golfer or for golfers who have never played or have not played in a number of years. In five one-hour 15-minute sessions, our coaches will cover everything you need to know to play your

first round of golf. Classes will cover the basics of the golf swing, putting, short game techniques, rules and etiquette. Our coaches will discuss what you will need for golf, therefore it is recommended that you do not go out and buy clubs until you have started this class. You will be given a static club fitting which will allow the coach to make a recommendation as to which clubs to buy. Lessons will conclude with an on-course session to introduce the various areas of the golf course to complete this introductory class.

Classes will be held at the Golf Center at Lyman Orchards,

Even Start Family Learning Program

The Middletown Even Start program is an NAEYC accredited program. It recognizes that the parent is the child's first and most important teacher. We support this by bringing parents in need of adult education and their children (ages 12 weeks -5 years) together in a dual generational learning program. Parents and their children can share the excitement and joy of learning together! The Even Start program provides early childhood education, (ages 12 weeks -3 years), adult education, parent support classes, and a monthly home visit. In addition, our families have the opportunity to work with our Career Developer for placement in job certificate programs, and apprentice training programs. The program supports the parent-child relationship and enhances parenting skills through parenting classes and daily parent and child activities.

Family Learning Combines:

- « Adult Education (Adult High School, GED, ABE, ELL)
- « Early Childhood Education, NAEYC
- « Parent and Child Together Activity
- « Parent Support Class
- « Collaboration with Community Services (Including Middletown Family Resource Center, ACES of Middlesex County, Diaper Bank of CT)

Student Success Stories

GRADUATES FROM THE CLASS OF 2025

Credit Diploma Program Speaker

Angel Ramos is a Credit Diploma Program graduate whose smile lights up every room he enters. Known for his strong work ethic, positive attitude, and natural likability, Angel consistently leaves a lasting impression on everyone

he meets. Whether tackling challenges head-on or lending a hand to a classmate, Angel approaches every opportunity with genuine enthusiasm and a commitment to doing his best. This June Angel started at Connecticut's Skill Up for Manufacturing at the CT Community College Middlesex Campus..

GED Class Speaker

Kenya Dunn's journey to earning her GED is a powerful testament to resilience and determination. Despite the many challenges life presented, she never lost sight of her goal, to graduate, not only for herself but

for her children. Her unwavering commitment and perseverance have made her a model to those around her. Kenya is continuing her educational journey at CT Community College pursuing her dream of becoming a radiologist tech. Her story is one of dedication and purpose, no obstacle is too great.

Malone Morrison is a remarkable student whose artistic talent and sharp sense of humor have always set him apart. Despite facing significant obstacles both in high school and later in adult education,

something eventually clicked. He found his drive and determination. He quickly passed all his GED tests impressively accelerating through the process with focus and resilience. Malone is enrolled in multiple technology programs and is now pursuing a degree in cybersecurity.

Dean Wilson has recently been accepted to Connecticut Community College, taking a significant step toward his lifelong dream of becoming a nurse and eventually, a medical doctor. His journey has not been without

challenges, but his unwavering determination and grit have propelled him forward. Dean is dedicated, hardworking, and intellectually curious. Whether tackling complex math coursework or working full-time to support his wife, four children and mother, he has shown a deep commitment to learning and helping others.

Peyton Rowell's journey is a powerful reminder of how the right environment can spark new passions and uncover hidden potential. When she first came to adult education, school wasn't something she

had ever felt connected to, but that quickly changed. Her motivation took off, and she began to thrive in her classes, especially after discovering a love for the medical field through an anatomy course. She will be attending CT State Community College where she plans to pursue a career in sonography.
